

BORANA

FLY CAMP

FLY CAMPING OUT OF BORANA LODGE

Borana Lodge is offering a night under canvas for guests staying three or more nights.

The fly camp is accessible via a game drive, on foot, on horseback (regardless of riding ability) or on mountain bike, making this a truly unique experience for active travellers and families. The activity which guests chose to take part in before and after the fly camp will dictate where the camp is set up, no two nights are the same.

Wildlife is very often seen from the fly camp with nocturnal visitors, such as porcupine and leopard, making their way through camp under the cover of darkness.

The fly camp is extremely comfortable with full linens, pillows, duvets, cast iron bed frames and mess tent including a fully stocked bar, lounge area and library of reference books.

Sleeping a maximum of twelve on an exclusive basis. Set up fee is \$300 USD (*non-commissionable*), on top of standard Borana Lodge rates.
