ELLERMAN HOUSE

Welcome to Ellerman House Spa

Ellerman House Spa is a natural extension of the property's commitment to quality and personalised service. Situated on the ground floor of Villa One, it is approached through a garden with tranquil water features and lush indigenous plants.

A small, highly experienced team of therapists offers a carefully considered menu of skin-care therapy and body treatments designed to soothe the senses while the body and mind are coaxed into balance.

With three single treatment rooms and one double treatment room designed for couples, the spa specialises in cutting-edge massage techniques of different cultures from around the world.

A Sauna, steam room and sensation shower are available as a free service, subject to booking a time slot.

The Spa provides a choice of award winning South African and international skin care products for facials and the highest quality products for massages, body treatments and hand and foot therapies.

Facials

Give your skin the love it deserves

QMS MEDICOSMETICS

This elite medical skin care range is based on research led, collagen enhancing technology to create a bespoke regenerative skin-care system. It is formulated by Dr. Med. Eric Schulte, and aesthetic surgeon, lecturer and international authority on skin ageing and skin regeneration.

ELLERMAN HOUSE SIGNATURE COLLAGEN RECOVERY FACIAL BY QMS

120min / R3200

Designed for stressed skin going through hormonal change, the facial uses ingredients to stimulate regeneration, calm dryness and inflammation throughout. The treatment gives back to the skin what may be lost from the decrease of oestrogen, including invigorating and revitalizing the eye area. Using the ultimate Advanced Collagen products.

SKIN CELL RENEWAL WITH OXYGEN

110min / R2500

Delivers highly regenerating and anti-ageing results through specifically developed techniques and products which support the skin's own stem cells, enhance the stimulation of new skin cells and improve overall skin metabolism. The skin is left fuller, more toned and rejuvenated.

URBAN REPAIR WITH OXYGEN

90min / R2500

Targets the damaging effects of daily pollutants on the skin and helps to repair the cellular structure to restore the skin's natural wellness. This facial combines a deep pore decongestion with advanced treatment to support the detox process, accelerate epidermal regeneration and boost the metabolism.

PURE OXYGEN

90min / R2500

The QMS Oxygen machine uses 95% pure oxygen to channel ingredients for the ultimate skin boost. The improved oxygen supply encourages circulation and stimulates a regenerative process, leaving skin firmer, smoother and more radiant.

PIGMENT CORRECTOR WITH OXYGEN

90min / R2400

Delivers specialised treatment targeting excessive and irregular pigmentation. Features QMS innovative and highly effective Skin Tone light serum, which blocks the melanin synthesis causing the irregular dark spots and helps restore skin tone.

COLLAGEN REJUVENATION

90min / R2000

Restores and revitalises the complexion whilst delivering an important boost to the moisture levels through the use of pioneering wellbeing treatment masks and QMS signature 70% natural soluble collagens. Skin is left firmer with more volume; fine lines are reduced and texture is improved.

SK-ALPHA TREATMENT

90min / R2000

Detoxifies the skin and focuses on stimulating the microcirculation through the use of a unique thermal-active revitalising mask, resulting in an instant boost to the complexion. Skin is left visibly smoother and the radiance is restored.

ACTIVATOR TREATMENT

90min / R2000

Hydrates, refuels and energises the skin through the use of innovative activation techniques which increase the supply of active ingredients to revitalise the skin, leaving it fresh and glowing. Provides instant vitality for jet-lagged and tired skin.

NEO TISSUDERMIE

90min / R2000

Strengthens and regenerates the skin with a focus on the areas that are prone to the loss of elasticity as the skin ages. Delivers a lifting and tightening massage in combination with a collagen-boosting treatment to help improve the tonicity of the jaw lines, cheeks and eyebrows.

SENSITIVE REBALANCE TREATMENT

90min / R2000

Clears impurities, calms inflammation and regenerates the basic functions of the skin which are important to improving the overall wellness of the skin.

QMS OXYGEN ADD ON

R450
